

## **SPECIAL MESSAGE — COVID-19**

We are open but with additional safeguards

Dear clients:

As suggested by the government, we have put in place preventive measures to mitigate the impact of Covid-19.

We are now offering the following alternatives to our customers:

- All in-person meetings can be replaced by telephone calls;
- **It is possible to discuss, prepare and file a proposal or bankruptcy proceeding without any physical contact, thereby guaranteeing your safety and that of our employees.**

Before going in person to one of our offices, we ask that you call us at 1 877 777-2433 as physical contacts are very limited.

These are unique circumstances that require unique measures. We hope that you will forgive us for any inconveniences suffered as a result of our efforts to make this crisis as safe and short as possible. Your safety and that of our employees is our top priority.

Furthermore, we understand that there are many personal and financial issues related to this situation. Our team of specialists is available to answer all your questions and concerns in relation to your financial affairs.

Together, we will reduce the impacts!
